"I am a charismatic, affable, Full Stack Developer with a commitment to team performance and client satisfaction. My years as a Manager and Creator of Escape Rooms helps me with every challenge; from excellent interpersonal skills, to rapid problem solving; from resourceful team use to full project delivery."

### SKILLS

- Programming Languages: HTML, CSS, Javascript, Python, Ruby
- Frameworks: Express, Node, MongoDB, GIT, Mongoose, SQL
- Problem Solving, Troubleshooting

### RELEVANT EXPERIENCE

#### Software Engineering Immersive | General Assembly | Remote | September 2021 – April 2022

Successfully completed 500+ hours of expert-led instruction in Frontend (HTML, CSS, JS, Python), Backend (MongoDB, Express), and Fullstack, and hands-on learning of five fundamentals and the industry's most in demand technologies. Developed projects, including:

- **D&D Trivia Game:** Built with HTML, CSS, & Javascript— A function forward fully realized project delivered in two weeks, complete with UI, custom graphics, and License Implementation.
- **D&D Stör:** Built with express, ejs, & mongoose— A database application for quickly retrieving data reports based on multiple parameters.
- **Social-meal-dia:** Built with MongoDB, Node, Express, React and Cloudinary— A Social Media App for posting pictures of food and recipes.
- **D&D Character Archive:** Built with MongoDB, Node, Express, React and Cloudinary— A full stack application for generating and using dnd5e character sheets.

#### Software Consultant | Iqeo LLC | Remote | April 2022 – July 1st

- Successfully Trained in Ruby, Ruby on Rails through remote coursework.

#### General Manager | Spellbound Escapes | Foxwoods | March 2018 – August 2020

- Delivered two fully realized Escape Room projects from concept, logic path, fabrication, and presentation for an accelerated company startup.
- Handled brand outreach and corporate events handling 2,500 employees (Including PepsiCo, W.B. Mason, and Mohegan Sun) resulting in yearly event integrations.
- Accomplished full transition of owner run business to staff of eight employees, from hiring to training.
